2020 Membership Referral Program

Effective December 1, 2019 to April 1, 2020

Catawba Country Club values membership referrals from our club members as an excellent way to introduce new families! To show our gratitude and reward our members' efforts, we have established a new Membership Referral Program. These benefits are for both the current member who has sponsored and for the new member that has joined. Only one current member can be the sponsor for a new member and there are no limits to how many referrals a current member can introduce.

All promotions will end April 1, 2020.

- The referred member will receive half priced dues for the first 6 months of membership
- The current member will receive a monthly Referral Credit for 6 months
 - \$100 monthly credit for Golf Membership referral
 - \$50 monthly credit for Social Membership referral
